MESSAGE TO THE SENATE

October 21, 1965.

Mr. President and Members of the Senate:

This special session of the Maryland General Assembly, called for the purpose of reapportioning the membership of your two houses, is now nearing its end. In my message to you at the opening of the session, I said that in my judgment this matter of reapportionment was the most serious problem the General Assembly has been called upon to resolve in my almost seven years as the Chief Executive of the State. The experience of the past two weeks has confirmed this judgment.

The purpose of this message is to convey to you my appreciation and the appreciation of the people of Maryland, for the time and effort you have spent in handling this difficult problem.

With kindest regards and best wishes, I am

Sincerely,

J. MILLARD TAWES,
Governor.
